What is MAG?

Momentum Art Guild is a regional, non-profit organization dedicated to enhancing interest in the visual arts, and supporting the development of individual artists.

Our members recognize needs, foster opportunities, provide mutual support, and work for the general promotion of art and the advancement of those who create it.

We hold monthly meetings, sponsor workshops, organize exhibits and participate in other activities to fulfill our mission to the artistic community of Northwest Illinois.

All artists regardless of experience are welcome to participate in Momentum Art Guild.
